

EDITORIAL CALENDAR ElectroniqueS 2010

| Month Issue | Issue Date | Event of the month | Feature | Buying Guide | Point before the show New Products | Tradeshaw | Dates | Location |
|---|-------------|---|---|-----------------------------|---|-----------------------------------|------------------|----------------------------|
| JANUARY N°1 | 1/20/2010 | The evolutions of the IP sector | Integration of power LED: temporary difficulties or lasting problems? | FPGA | | Photonics West | 23 to 28/01 | San Francisco |
| | | | | | <i>Mobile World Congress</i> | SEPEM Industrie | 26 to 28/01 | Avignon |
| | | | | | Components and Instrumentation | | | |
| New Formula launching: January 20th at FIEEC | | | | | | | | |
| FEBRUARY N° 2 | 2/17/2010 | <u>The State of</u> the trends for the coming year in electronics | Medical and electronics: a pair for the future | 16/32 bits Microcontrollers | | Integrated Systems Europe | 02 to 04/02 | Amsterdam |
| | | | | | | Advanced technology workshop | 03 to 04/02 | La Rochelle |
| | | | | | <i>Embedded World</i> | Analyse Industrielle | 02 to 04/02 | Paris La Défense |
| | | | | | Connectors Active Components Display | NI Days (National Instruments) | 02/02 | Port Marly |
| | | | | | | ISSCC Internationale | 07 to 11/02 | San Francisco |
| | | | | | | ELEC 2010 | 09 to 12/02 | Paris Porte de Versailles |
| Mobile World Congress | 15 to 18/02 | Barcelona | | | | | | |
| SPECIAL RTS 2010 | | | | | | | | |
| MARCH N° 3 | 3/19/2010 | Trends in wireless sector | Programming techniques of multicors systems : promising approaches | M to M modules | | EMBEDDED WORLD | 02 to 04/03 | Nuremberg |
| | | | | | | DATE 2010 | 08 to 12/03 | Dresden |
| | | | | | <i>RTS /DISPLAY</i> | EMV 2010 | 09 to 11/03 | Düsseldorf |
| | | | | | DSP Power supplies Cards | Solution Linux | 16 to 18/03 | Paris Porte de Versailles |
| | | | | | | INDUSTRIE 2010 | 22 to 26/03 | Paris Nord Villepinte |
| | | | | | | Smart Systems Intégration | 23 to 24/03 | Milan |
| RTS/DISPLAY/ESDT | 30 to 01/04 | Paris Porte de Versailles | | | | | | |
| Special EMBEDDED (Circulation on RTS) | | | | | | | | |
| APRIL N° 4 | 4/19/2010 | Trends in embedded world | Instrumentation for wireless networks of the future | POL converters | | RTS/DISPLAY/ESDT | 30 to 01/04 | Paris Porte de Versailles |
| | | | | | <i>PCIM</i> | Photonics Europe | 12 to 16/04 | Brussels |
| | | | | | Batteries Mesures FPGA | Forum Interconnex/Imaps | to be determined | Paris Porte de la Villette |
| MAY N° 5 | 5/17/2010 | Evolution of modules and sub-systems in embedded | Round table Purchasing printed circuits in France: which strategy to adopt? | Random signals of Generator | | PCIM Europe | 04 to 06/05 | Nuremberg |
| | | | | | <i>Forum Electronique</i> | BIAS | 04 to 07/05 | Milan |
| | | | | | Power Electronics OEM Integration Hybrids Display Bluetooth | ERTS | 19 to 21/05 | Toulouse |
| | | | | | | SID | 23 to 28/05 | Seattle |
| | | | | | | International Microwave symposium | 23 to 28/05 | Anaheim |
